What is the purpose of the two-second rule?

- A. To allow overtaking vehicles to move back into the line of traffic safely if required.
- **B.** To give you enough time to stop if the vehicle in front stops.
- **C.** Two seconds is enough time to stop in any weather conditions, if required.

When are you allowed to pass another moving vehicle to its right?

- A. When you can see at least 50m ahead of you when you start passing
- B. When you've signalled right for at least two seconds
- C. When it's safe to exceed the speed limit for a short time to get past
- **D.** When you will be able to see at least 100m ahead of you when you've finished passing When are you allowed to pass another vehicle to its left?
- A. A police officer has directed you to
- **B.** There are two or more lanes on your side of the road and it's safe to pass
- C. The car you will pass is signaling a right turn and is either slowing down or has stopped
- **D.** The vehicle is a motorbike or scooter on a single lane road and therefore there's enough room to pass safely

E. A, B and C only

At night, when MUST you always dip the headlights on your vehicle?

A. when other vehicles are coming towards you and/or when you are following other vehicles **B.** when a police officer is directing traffic

- **C.** when you park
- **D.** when you are reversing

E. A, B and C only

When driving at night, which vehicle lights should you turn on?

- A. Position lights (park lights) only
- **B.** Dipped headlights (low beam)
- C. High beam lights
- **D.** Fog lights

When must you signal that you are turning to the right?

- A. Only if other traffic is approaching or following you
- B. Always, and for at least two seconds before you turn
- C. Always, and for at least three seconds before you turn

What must you do before you make a turn to the right?

- A. Slow down and move towards the centre line before you turn
- **B.** Check your mirrors and your blind spot
- C. Signal for at least two seconds
- D. Give way to oncoming traffic and traffic that's turning left
- E. Be aware of your vehicle's swept path
- F. A, B, D and E only

What's this type of road called?

- A. Urban thoroughfare
- B. Quad-lane road
- C. Bypass
- D. Multi-lane road

Page 10

Behaviour questions

When passing a bus displaying a School sign that has stopped to let children on or off, what should your speed be?

You are coming up to a school patrol crossing and both signs are held out. What must you do?

A. Stop until the signs are pulled back in

- B. Carry on if the children are not ready to cross
- C. Stop until the children have crossed

What does this traffic signal mean?

A. Stop if you can do so safelyB. Speed up to get through the junction

You're coming up to a railway level crossing. Which of these should you do?

A. If there are no barrier arms, it's safe to continue at the speed you're travelling at because that railway line isn't used

- B. Slow down and get ready to stop
- C. Check each way before proceeding across
- $\ensuremath{\textbf{D}}$. Only cross if there's nothing blocking your path and there are no trains coming
- E. B, C and D only

On a Transit Lane sign, what does T2 mean?

- A. This lane can be used any time after 2pm
- **B.** Only vehicles with two seats can use this lane
- C. Only vehicles with less than two people inside can use this lane
- D. Only vehicles carrying two or more people can use this lane

E. There are two transit lanes ahead

You are coming up to a one-lane bridge and you see this sign. What must you do?

A. Stop. Then if there is no traffic approaching, cross the bridge
B. Stop if there is traffic coming towards you across the bridge and wait until it's clear

C. Carry on going - you have right of way across the bridge

If you have to drive at a slow speed that may hold up other vehicles, what should you do?

- **A.** Drive at night when there's less traffic
- B. Keep to the left and let others pass where possible
- C. Nothing drive as normal as its other drivers' responsibility to overtake you safely
- D. Keep as close as you can to the centre of the road

What are you NOT allowed to do when driving on a motorway?

- A. Make a U-turn
- B. Stop (unless in an emergency or waiting in queued traffic)
- **C.** Pick up or drop off passengers
- **D.** All the above

When a flock of sheep is coming towards you on a country road, what should you do?

- A. Keep driving steadily and sound your horn the sheep will part
- **B.** Slow down and be prepared to stop, and wait for the farmer to tell you what to do
- C. Turn on your hazard lights and continue slowly

A. Dip your headlights and turn on your fog lights

- B. Drive with your headlights on full beam so you can see further
- **C.** Use your hazard lights
- D. Open the window and drive with your head out the window

You are driving downhill on a steep, narrow road and a vehicle is coming up the hill. What should you do?

A. Vehicles moving downhill should give way to vehicles moving uphill

B. Vehicles moving uphill should give way to vehicles moving downhill If you are given medication by your doctor that does not affect your driving, what do you

have to do?

- A. Not drive you shouldn't be driving on medication
- B. You can drive whenever you want

C. You must tell the police where you are driving When traffic is merging, what is a good rule to follow?

- A. The larger vehicle has right of way
- B. Merge like a zip (let one vehicle in then go)
- C. The smaller vehicle has right of way

What is the safest way to carry goods inside a vehicle?

A. In the boot **B.** On the back seat

C. Held by a passenger **D.** On your lap

When must you NOT open the door of your motor vehicle?

- A. If it's likely to hit someone or something, such as a cyclist
- B. When the car is moving at any speed
- C. When you are asked to get out of the car by a police officer
- **D.** You are parked within 10 metres of a bus stop
- If you miss your exit on a motorway, what should you do?
- A. Pull into the hard shoulder and reverse back to the exit
- B. Do a U-turn

C. Exit at the next exit

Are you allowed to talk on a cellphone while driving?

A. Yes, at any time

B. Yes, with a hands-free phone kit, or to make an emergency call if it's unsafe to stop **C.** No

Are you allowed to text (read, write or send an SMS) while driving?

A. Yes - at any time **B.** Yes, with a hands-free phone kit What should you do if the vehicle behind you wishes to pass?

C. No

A. Speed up so you're not holding them up

B. Pull to the left to let them pass

C. Hold your line - it's their responsibility to overtake safely

D. Slow down and signal right

How does alcohol affect your driving?

- A. It speeds up your reactions
- B. It makes you a better judge of distance
- C. It slows your reaction time
- D. It makes you more alert

In addition to checking it is safe to move out from the kerb into the traffic flow, how long should you indicate for?

C. 3 seconds A. 1 second **B.** 2 seconds **D.** 4 seconds Before making a lane change to your left, you must signal for at least three seconds. What else must you do?

A. Check your blind spots B. Slow down

C. Speed up **D.** Use your brake lights to warn other drivers

What should you do when another vehicle is following you very closely?

A. Move to the left and slow down to make it easier for it to pass

- **B.** Speed up so you're not holding it up
- C. Pump your brakes to tell them to drop back
- D. Put your hazard lights on

You wish to move your vehicle out of a parking space into the traffic flow. What must you do before you move?

- A. Signal for at least three seconds
- B. Check your blind spots
- **C.** Wait for a gap in the traffic
- **D**. All the above

When driving into bright sunlight, you should use sunglasses and your vehicle sun visors for safety. What else are you advised to do?

- A. Leave your windscreen dirty to block out some of the sun
- **B.** Turn your lights on
- C. Slow down, or pull over until visibility improves
- **D.** Drive on the far left of the road

How can small amounts of alcohol affect your driving?

- A. A small amount of alcohol won't affect your driving
- B. Any amount of alcohol will have some effect on your driving

You see a pedestrian carrying a white cane crossing the road. What should you do?

- A. Toot your horn to let them know you're there and they should hurry up
- B. Stop and wait for them to cross
- C. Speed up and pass in front of them

You wish to turn left at the intersection. What should you do?

- **A.** Slow down and wait for the cyclist to go past the intersection
- **B.** Speed up so you get around the cyclist before they get there
- **C.** Toot your horn to let the cyclist know to move over and stop so you can turn

You look in the mirror and see a cyclist. What should you do when opening the car door?

A. Open it slowly - the cyclist will be able to see and adjust his or her path

B. Open it as per normal - cyclists always leave 1.5m gap between themselves and cars

C. Wait until the cyclist has passed

D. Warn the cyclist by sounding the horn before you open the door

How would you check for hazards before reversing your vehicle?

- A. Check your wing mirrors and rear-view mirror
- B. Look over your shoulder
- C. Get out and walk around the vehicle
- D. Be sure any reversing sensors or cameras are activated (if your vehicle has them)

E. All the above

You are the driver of the blue car. Of the four hazards marked, which one is most likely to require you to take urgent action?

A. The cyclist

- B. The car parked on your side of the road
- C. The car coming towards you
- **D.** The pedestrian on the opposite footpath

You are the driver of the blue car. Of the four hazards marked, which one is most likely to require you to take urgent action?

- A. The parked car
- **B.** The reversing car
- C. The car coming towards you
- D. The parked car on the opposite side of the road

You are the driver of the blue car. Of the four hazards marked, which one is most likely to require you to take urgent action?

- A. The car turning left onto the other side of the road
- B. The car coming towards you
- C. The car you are following
- D. The car on the other side of the road turning right

You are the driver of the blue car. Of the four hazards marked, which one is most likely to require you to take urgent action?

- A. The person hitching a lift (A)
- **B.** The child on the side of the road (B)
- **C.** The parked car (C)
- **D.** The parked car that is partially obscured from your view (D)

What is the safest way to drive up to intersections?

A. Look to the right - you have to give way to the right

- B. Look to the left
- C. Look behind you
- D. Look ahead of you
- E. All the above

If you are driving a car, what should you do when following another vehicle in wet conditions?

- A. Observe the two-second rule
- B. Observe the four-second rule
- C. Observe the six-second rule
- **D.** Try to overtake so that you are not blinded by the spray

What should you do when there are farm animals coming towards you on the road?

- A. Flash your lights the animals will see this and move out of the way
- **B.** Slow down or pull over until the animals have moved past you
- C. Sound your horn to help the farmer move the animals

D. Get a passenger to clear a path through the animals

What should you do when you are coming up to traffic signals and the signals change from green to yellow?

- **A.** Speed up to get through the lights
- **B.** Stop if it's safe to do so
- C. Stop if you are more than 20 metres from the intersection

Before crossing a railway level crossing, what should you do? Select all that apply.

A. Look left and right up the tracks and check there's room for your vehicle on the other side of the crossing

B. Make sure there are no barriers or red flashing lights

C. Check there's a speed limit sign on the other side of the crossing

D. A and B only

Can a load you are carrying in your vehicle drag on the ground?

A. No

B. Yes

You are on a three-laned road. There is one lane on your side of the road, and two lanes coming towards you. There's a dashed white line on your side of the centre line. Are you allowed to overtake?

B. No

What rule would you use when towing a trailer?

A. Two-second rule **B.** Four-second rule **C.** Cadence braking rule **D.** Give way to the left Are you allowed to pass on the left like this?

A. Yes B. No

Are you allowed to pass on a solid yellow line?

A. No

B. Yes

C. Yes, but only if you can make the pass without crossing the yellow line and can see 100m ahead of you for the whole time you are passing

Can you turn right when you have this traffic signal?

A. No, there's a red arrow **B.** No, you can only go straight ahead C. Yes, but only if there are no vehicles coming

Can you turn left when you have this traffic signal?

What do these mean?

A. Bicycles, taxis and buses can park here

- B. When lit, buses, trams and bicycles can pass through, ignoring a red traffic signal
- C. This is a special lane on a road or motorway for buses, trams and bicycles

D. When lit, buses, trams and bicycles must wait for other traffic to pass before proceeding What does this sign mean?

- A. Buses aren't allowed to park here
- **B.** Buses are allowed to stop here
- C. Buses and taxis are allowed to park here

Can vehicle C move through the intersection?

A. Yes B. No

C. Only if the red bus is parked in a bus stop

What does this sign mean?

- A. The right hand side of the road
- **B.** The middle of a motorway

What does this sign mean?

- A. The right side of a road marker post indicating a left-hand bend
- **B.** The left side of the road
- C. The middle of a motorway

	Taking Trainin
 What does this sign mean? A. The left side of a bridge C. The left side of a road 	B. The right side of a bridgeD. The right side of a road
What does this sign mean?A. The left side of a bridgeC. The left side of a road	B. The right side of a bridgeD. The right side of a road
Where would you see this cat's (white A. Left side of roat C. No passing lar	ad B. Centre line of road
	arks on the left B. A corner in 35 metres mmended speed for this corner is 35kph
A. 400B. 250C. 200If you refuse to give blood for the pur maximum penalty for a first offence?	poses of an evidential blood alcohol test, what is the e, disqualified for six months or more ths
When you purchase a vehicle what s	should you be aware of?
A. Unpaid loans - you'll be liable to p transferred into your name	ay them if they are not cleared before the car is
 B. A stolen vehicle D. WoF and/or registration has expired five and a function of the second sec	 sion, what should you do? B. Keep your hazard lights on D. Drive with your windows down ty belt? be able to remain in control of the vehicle ire ho has to stop frequently to, for example, read meters, ss than 50kph trols if you wear a safety belt
F. All the above	

How many dement points do you receive for exceeding the speed limit by 11-20kph? A. 10 B. 20 C. 30 D. 40 What does a white diamond painted on the road mean? A. There is a crest in the road B. You are approaching a school entrance C. The speed limit is about to change D. You are approaching a pedestrian crossing What should you do if the vehicle behind starts to pass you? A. Stay in the right-hand side of the lane B. Speed up C. Stay in the middle of your lane as the left of the lane is more dangerous D. Be prepared to slow down to ensure a safe passing maneuver What's the most important road rule? A. Always try to avoid causing an accident, even if it's not your fault B. Always try to got to your destination as quick as possible so that you reduce the amount of traffic on the road at any one time Do you have to slow down for a pedestrian if they cross the road in front of you on a red no crossing light? A. Yes B. No When are you allowed to drive across a cycle lane? A. Yes B. No C. Only if it's from a close relative Which one of these is not a distraction while driving? A. Paint and diver a part of the motion of the above B. No C. Only if it's from a close relative Which one of these is not a distraction while driving? A. Ahands-free phone call B. Being hungry C. Texting without looking at the phone D. Checking your blind spot					
What does a white diamond painted on the road mean? A. There is a crest in the road B. You are approaching a school entrance C. The speed limit is about to change D. You are approaching a pedestrian crossing What should you do if the vehicle behind starts to pass you? A. Stay in the right-hand side of the lane B. Speed up C. Stay in the middle of your lane as the left of the lane is more dangerous D. Be prepared to slow down to ensure a safe passing maneuver What's the most important road rule? A. Always try to avoid causing an accident, even if it's not your fault B. Always try to get to your destination as quick as possible so that you reduce the amount of traffic on the road at any one time Do you have to slow down for a pedestrian if they cross the road in front of you on a red no crossing light? A. Yes B. No When are you allowed to drive across a cycle lane? A. Yes B. To turn into a side road C. To park D. All of the above E. No C. Only if it's from a close relative Which one of these is not a distraction while driving? A. Yes B. Being Ill C. Looking in your mirrors D. Using a mobile phone Which one of thesese is not a distraction while driving?					
A. There is a crest in the road B. You are approaching a school entrance C. The speed limit is about to change D. You are approaching a pedestrian crossing What should you do if the vehicle behind starts to pass you? A. Stay in the right-hand side of the lane B. Speed up C. Stay in the middle of your lane as the left of the lane is more dangerous D. Be prepared to slow down to ensure a safe passing maneuver What's the most important road rule? A. Always try to avoid causing an accident, even if it's not your fault B. Always try to get to your destination as quick as possible so that you reduce the amount of traffic on the road at any one time Do you have to slow down for a pedestrian if they cross the road in front of you on a red no crossing light? A. Yes B. No When are you allowed to drive across a cycle lane? A. To turn into a driveway B. To turn into a side road C. To park D. All of the above E. None of the above E. No Mich of these is not a distraction while driving? A. Yes B. Being ill C. Looking in your mirrors D. Using a mobile phone Which one of these is not a distraction while driving? A. Eating and drinking B. Being ill <td>A. 10 B. 20 C. 30</td> <td>D. 40</td>	A. 10 B. 20 C. 30	D. 40			
 B. You are approaching a school entrance C. The speed limit is about to change D. You are approaching a pedestrian crossing What should you do if the vehicle behind starts to pass you? A. Stay in the right-hand side of the lane B. Speed up C. Stay in the middle of your lane as the left of the lane is more dangerous D. Be prepared to slow down to ensure a safe passing maneuver What's the most important road rule? A. Always try to avoid causing an accident, even if it's not your fault B. Always try to get to your destination as quick as possible so that you reduce the amount of traffic on the road at any one time Do you have to slow down for a pedestrian if they cross the road in front of you on a red no crossing light? - E. Put your handbrake on

F. A, C and E only

When may you park your vehicle over a fire hydrant?

B. At any time

A. Never

C. Only if someone who can move the vehicle stays with it

How close can you park your vehicle to the approach side of a pedestrian crossing where no broken yellow lines have been marked?

A. 10 metres

C. Three metres

B. Six metres **D.** One metre

How close can you park your vehicle to an intersection where no broken yellow lines have been marked?

- A. 10 metres
- B. Six metres
- **C.** Three metres
- D. One metre

What does this sign mean?

A. You can stop here at any time for less than five minutes **B.** You can stop here at any time as long as a person remains with the car to move it

C. You can stop here at any time if you have a broken or fractured leg in a cast

D. You can stop here only if you have a mobility parking permit

Can you stop on a bus stop in a private vehicle?

- **A.** Yes, if that vehicle has seven or more seats
- **B.** Yes, if it's outside of normal bus working hours
- C. No, only buses can stop here
- **D.** Yes, if it's a commercial vehicle
- **E.** Yes, when dropping off passengers

What does this sign mean?

A. You can stop after you pass this sign

B. You can stop before this sign, but not after

- C. You can only park within 20 metres of this sign
- D. You must not stop at all until parking permission is given

What does this sign mean?

- A. You can stop anywhere in the next 4km
- **B.** You must not stop anywhere in the next 4km

FOR 4km

What should you do when parking your vehicle next to the kerb when facing down a steep hill?

- **A.** Apply the handbrake
- **B.** Put the car into reverse gear if it has manual transmission
- C. Turn the wheels towards the kerb
- **D.** Run the front and back wheels against the kerb
- E. Turn the wheels away from the kerb

F. A, B and C only

When can you park on the right hand side of the road?

A. Only on a one-way street

- **C.** At any time if you leave your park lights on
- **B.** If there are marked bays
- **E.** in the countryside
- **D.** If you are delivering packages
- Copyright © Chivalry Training Providers 2021 Class two Learners Questionnaire, Edition 1 Ph: +64 9 377 0757 Email: training@chivalrytraining.co.nz www.chivalrytraining.co.nz

What does this sign mean?

A. Commercial vehicles can park for 40 minutes to the right of the sign
B. Any vehicle can park for 40 minutes to the right of the sign
C. There's no parking for any vehicle to the right of the sign, but to the left you can park for 40 minutes

What does this sign mean?

A. Only commercial vehicles can park here, and only for five minutesB. Any vehicle can park here, but it must not be left unattended for more than five minutes

C. Any vehicle can park here to unload goods or people, but only for five minutes and then it has to be moved

D. Any vehicle can park here to unload goods or people, but it must not be left unattended for more than five minutes

What does this sign mean?

A. Motorcycles are allowed to park to the left of this sign, along with any other private vehicles

B. Only motorcycles are allowed to park to the left of this sign

C. Motorcycles aren't allowed to park to the left of this sign, but are to the right

What does this sign mean?

CLEARWAYA. You can only stop to drop people off between 7 and 9amB. You can park here, but only between 7 and 9amC. You can't park here between 7 and 9am

A broken yellow line painted close to the edge of the road means you may stop or park your vehicle there at any time.

A. True

B. False

Emergency questions

You are driving on a country road at night when your vehicle headlights suddenly go out. What is the safest thing to do? **A.** Slow down and prepare to stop somewhere safe B. Stop on the right so you can attract the attention of cars coming towards you **C.** Turn your hazard lights on **D.** Carry on driving slowly with your hazard lights on until you reach your destination E. - A. The back end will sway towards the side of the blowout
- **B.** The back end will sway away from the blowout
- **C.** The front end will pull towards the side of the blowout
- **D.** The front end will pull to the opposite side of the blowout

What will happen if you have a rear tyre blowout?

- A. The back end will sway towards the side of the blowout
- B. The back end will sway away from the blowout
- C. The front end will pull towards the side of the blowout
- **D.** The front end will pull to the opposite side of the blowout

E. The back end will sway from side to side

What should you do if your vehicle breaks down on a motorway? Select all that apply.

- A. Stand on the motorway and flag down a passing driver to help
- B. Open your boot and bonnet
- **C.** Put your hazard warning lights on
- D. Call for help using a cellphone or a motorway phone
- E. Park as far to the left as possible

F. B, C, D and E only

What should you do if an ambulance comes up behind you flashing red lights or sounding its siren?

- A. Stop quickly
- B. Maintain your speed the ambulance driver will find a way around you
- C. Speed up so that you don't hold the ambulance up
- D. Pull over to the left and slow down or stop if necessary

Road position questions

What does a blue reflector (cat's eye) placed on the road mean?

A. No passing **C.** Blue marks the left side of the road **D.** Blue marks the middle line

- B. Fire hydrant
- E. It's safe to pass here

What is the meaning of a broken yellow line painted on the road near the kerb?

- A. No overtaking
- **B.** No parking **C.** Fire hydrant
- **D.** Bus stop
- E. You may stop here for less than five minutes

Can you use a right turn bay to overtake a vehicle travelling straight ahead?

- A. Yes
- B. No
- C. Only if the road is clear ahead

When can flush medians be used?

- A. To overtake a slower vehicle
 - B. To park while loading and unloading goods
 - **C.** To wait for a gap in the traffic while turning
 - **D.** To reverse back up the road if you missed your turn

What do these road markings mean?

A. You can overtake another vehicle here

- **B.** You can turn right at any time here
- C. You can turn right from the left hand lane into the intersection

What does a white reflector (cat's eye) placed on the road mean?

- A. No passing **B.** Fire hydrant
- **C.** White marks the left side of the road
- **D.** White marks the centre line

What does a yellow reflector (cat's eye) placed on the road mean?

- A. No passing C. Yellow marks the left side of the road
- B. Fire hydrant
- D. It's safe to pass here

When driving on an unlaned road, where should your vehicle be positioned?

A. In the middle of the road

B. As far to the left of the road as is safe

C. One metre from the left of the road

D. Anywhere you can see what's coming

When turning right from a two-laned road into a one-way street that has two lanes, which

lane must you turn into?

A. The left lane

- B. The right lane
- C. It doesn't matter either lane

What must you do if you intend to move your vehicle from the right-hand lane to the left-hand lane?

- A. Indicate left for three seconds
- B. Check over your left shoulder for your blind spot
- **C.** Check your rear view mirror
- **D.** All the above

What must you do when turning right at a roundabout?

A. Indicate right as you approach the roundabout then left before the exit you want to take

- B. Indicate right the whole way around the roundabout
- C. Don't indicate right as you approach, but indicate right once on the roundabout
- D. Stay left as you enter the roundabout

You wish to make a right turn on a narrow country road. There is a vehicle coming towards you and traffic behind you. What is the safest option?

A. Put your hazard lights on before you turn

B. Pump the brakes to let the person behind know that you will be slowing down

C. Move to the left and wait until the vehicles behind have overtaken you before turning right

D. Indicate right, but stay as far left as you can

What must you do when turning left into a driveway?

- A. Stay in the left turn lane, or keep to the left side of the road
- B. check your mirrors and your blind spot
- **C.** signal for at least two seconds
- D. slow down before you turn
- E. give way to pedestrians already crossing

F. B, D and E only

Does this diagram show all the blind spots that a truck driver has?

A. Yes - all blind spots are shown B. No - there are more blind spots

When are you likely to see a slow vehicle bay?

A. Approaching a roundabout
B. On a motorway
C. On a hill
D. In the central city

Intersection questions

You are in the left-hand lane at traffic signals. You are waiting to turn left. Which of these traffic signals may you move on?

When coming up to a stop sign, should you stop, and if so, where should you stop?

A. Behind the line

B. Where you can see traffic coming in both directions

- C. You don't need to stop if you can see nothing's coming
- D. With the front wheels of your vehicle on the yellow line

If an intersection has a stop sign, when must you stop?

A. Always

- B. Only if there are other vehicles coming
- **C.** Only if there are traffic lights as well

You are driving on a road with marked lanes and you are in the lane with an arrow showing a left turn only. What must you do?

- A. Turn left
- B. Turn left or go straight ahead

C. Not signal

When may you turn right on a red light?

A. If there's a green arrow to the right or straight ahead with no red arrow

- **B.** If there is a marked box for turning right
- **C.** If there is no other traffic around

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

A. Yes

B. No

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

A. Yes B. No

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

A. Yes **B.** No

Does the driver of the blue car have to give way?

A. Yes B. No

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

A. Yes B. No

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

Does the driver of the blue car have to give way?

A. Yes **B.** No

Does the driver of the blue car have to give way?

A. Yes B. No

Does the driver of the blue car have to give way?

A. Yes **B.** No

Does the driver of the blue car have to give way?

A. Yes **B.** No

Which vehicle must give way?

Which vehicle must give way?

Which vehicle must give way?

Which vehicle must give way?

Which vehicle must give way?

A. Red car **B.** Blue car

What's the most important rule for approaching an intersection?

A. Indicate for at least a second so that other road users know where you are going

B. Be prepared to stop

- **C.** Use your horn to warn other traffic
- D. Change lanes at the last minute so that you end up in the one with the shortest queue

Which of these signs wouldn't you see as you approach a roundabout?

You're driving the orange car and have stopped at the exit of this one-way street, turning left onto a dual carriageway. Do you have to indicate, seeing as there's no way to turn right?

You are driving the orange car and you're waiting at a red light to turn right. Which lane do you turn into?

You're approaching this roundabout and want to follow the arrow. Do you need to indicate?

A. Yes - indicate left as you approach the roundabout and until you take the exit

B. No - it's almost a straight line and therefore doesn't need an indicator
C. Yes, indicate left as soon as you're on the roundabout

You're approaching this roundabout and want to follow the arrow. Do you need to indicate?

A. No - it's almost a straight line
B. Yes - don't indicate as you approach the roundabout, but indicate left after you've gone past the first exit
C. Yes - indicate right as you approach the

roundabout, then indicate left as you go past the first exit

You are turning right from a two-way street into a two-lane one-way street. Which lane should you turn into?

How far can a private vehicle (car, motorbike or truck) drive in a bus only lane?

Theory questions (T)

Which person can legally stop and perform a roadside check of your vehicle?

A. Fire officer

B. Ambulance officer

C. Police officer

D. Tow truck driver

Can you be fined if your vehicle is on the road and not up to Warrant of Fitness standard?

A. Yes

B. No

What should you do before any modification is carried out on your vehicle?

A. Modifying your vehicle is OK as long as you purchase the parts from a reputable dealer

B. Check with a warrant of fitness inspector

C. Get a certificate from the police

D. Record the modification on your vehicle ownership papers

Can you drive a moped on a car licence?

A. Yes

B. No

If you have a restricted licence, what hours must you NOT drive on your own?

A. 10pm-5am

B. Dawn to dusk

C. 6am-6pm

D. 6am-10pm

If you have a restricted licence when can you carry passengers?

A. At any time, as long as a supervisor with a full driver's licence is sitting in the front passenger seat (the supervisor must have had the licence for at least 2 years)

B. Between 5am and 10pm, as long as your passengers are your own children or your spouse/de facto partner

C. Only between 10pm and 5am

D. A and B only

If you have a learner licence can you carry passengers?

A. No, not at any time

C. Yes, but only if a supervisor agrees to it

When you have a learner licence you must always drive with a supervisor. What is a supervisor?

A. A person over the age of 25 with a full New Zealand driver's licence of the same class that you are driving.

B. A person who has held a full New Zealand driver's licence for more than two years in the same class that you are driving

B. Yes, at any time

C. A person of any age who has had a restricted licence for at least six months in any class

D. A person over the age of 30 who has held any New Zealand driver's licence for two years or more

When you have a learner licence do you have to have it with you when you drive?

A. Yes B. No

Who is responsible for making a child under 15 years old (0-14) use a safety belt or a safety seat in a vehicle?

A. The oldest person in the car

B. The driver

C. The passenger

D. The owner of the car

Passengers in your vehicle are 15 years or over. Who is responsible for making sure they wear a safety belt?

- A. The oldest person in the car
- B. The driver
- C. The passenger
- D. The owner of the car

What does a Warrant of Fitness show?

- A. The vehicle is roadworthy
- B. The vehicle has been inspected by an approved WoF inspector
- **C.** The month the WoF expires

D. B and C only

What must be displayed on the back of a trailer being towed at night?

- A. A red light
- **B.** A white light
- C. A yellow light
- **D.** A flashing red light

Signs

What does this sign mean?

A. Drive up to 100km before stopping

- **B.** A car or motorbike can drive up to 100kph if the weather is OK
- **C.** The minimum speed in the overtaking lane is 100kph
- **D.** Any vehicle can travel up to 100kph

What does this sign mean?

- A. A comfortable travelling speed around this corner is 35mph
- **B.** A comfortable travelling speed around this corner is 35kph 35

C. The corner is 35 metres long **D.** The corner has an angle of 35 degrees - the higher the number, the sharper the corner

When coming up to a one-lane bridge, what does this sign indicate?

- A. You've got right of way, if it's safe to proceed **B.** Other drivers have right of way and you have to stop

Which of these signs won't you see at a railway level crossing?

- A. Drive no faster than 50kph because there's an accident ahead
- B. Drive no faster than 20kph as there's an accident ahead
- **C.** Stop until someone removes the sign
- D. This sign isn't valid they're only ever in blue with white writing

- A. Stop in 50 metres
- **C.** Maximum speed is 50mph
- B. Maximum speed is 50kph
 - **D.** No parking for 50 metres

What does this sign mean?

ACCIDENT

17

A. Vehicles are merging from a motorway onramp
 B. The left lane is closed

C. There's a building ahead on the left

What does this sign mean?

- A. No parking
- B. There's a pedestrian crossing ahead
- C. The speed limit is 50kph
- D. The speed limit is now 100kph

What does this sign mean?

- A. The road ahead may have loose stones drive slowly
- **B.** The road ahead may puncture your tyre **C.** There's a median strip of vegetation that

C. There's a median strip of vegetation that may hit your windscreen

What does this sign mean?

- A. A train station is ahead
- B. A railway level crossing is ahead
- C. A tourist railway attraction is ahead

What does this sign mean?

A. Airport aheadB. Pedestrian crossing

C. Parking either side of the median strip

What does this sign mean?

A. Approved crossing ahead**B.** Look out for children

C. Dance classes are nearby

A. Traffic lights are not working

B. Shooting range ahead

C. Airport runway ahead

D. Stop on request

What does this sign mean?

A. It shows the direction to an information centre

- **B.** Important monument to the right
- **C.** There's an intersection to the right

What does this sign mean?

A. Turn left nowB. Do a u-turn, but only to the left

C. Keep left

What does this sign mean?

A. You must not turn leftB. You must not turn right

What does this sign mean?

B. Don't do a u-turn

C. Don't do an n-turn

D. Steep hill coming up

What colour flashing lights do maintenance vehicles use?

D. Yellow and purple

What colour flashing lights does a pilot vehicle have?

A. Watch out for heavy vehicles

B. No heavy vehicles C. Heavy vehicle parking

D. Priority lane for heavy vehicles

What does this sign mean?

A. A route for pedestrians only

- B. Dance classes ahead
 - **C.** No route for pedestrians
 - D. A route for motorists only

What does this sign mean?

- A. A route for pedestrians only B. A route for cyclists only
- C. A route for pedestrians and cyclists
- D. No route for pedestrians and cyclists
- E. No bicycle stunts allowed

What does this sign mean?

- A. Reverse into a driveway
- B. Reverse out of the road
- C. Turn round in a side road
- D. This lane must proceed straight ahead
- E. Look up for potential obstacles

- A. No pedestrians
- B. No parking
- C. Pedestrian lane
- D. Parking lane

- A. Bus parking only
- **B.** Wide bus restriction
- **C.** No parking: Bus stop on both sides of sign
- D. Parking allowed: Bus stop on both sides of sign

What does this sign mean?

A. Crossroads

- B. Roundabout
- C. No entry D. No stopping
- Di No stopping

What does this sign mean?

- A. Oncoming light rail
- B. Light rail only
- C. Light rail crossing ahead

Why should you slow down when you see this sign?

A. To avoid splashing others with waterB. Your tyres may suffer a blow-out

- **C.** There is a road gritter ahead
- D. To avoid throwing up loose chippings

What does this sign mean?

- A. Watch out for cattle
- B. Cattle lane only
- C. Cattle are prohibited
- D. Cattle grid

- A. Parking straight ahead
- B. 30-minute parking on the right of the sign
- **C.** Turn right to find parking in 30 metres
- D. 30 available parking slots to the right

A. Give way on a roundabout to vehicles from the left

- B. Give way on a roundabout to vehicles from the left and right
- C. Give way on a roundabout ahead
- D. Hazard on a roundabout ahead

What does this sign mean?

- A. One way street
- B. Merging traffic from the left and right
- **C.** Hazard straight ahead **D.** Road diverges

What does this sign mean?

A. Merging traffic ahead

- **B.** Road diverges ahead
- C. Two-way traffic ahead
- **D.** The right lane will be slowing down while the left lane speeds up

What does this sign mean?

A. Roundabout ahead

- **B.** Recycling centre ahead
- C. Two way traffic ahead
- **D.** Merging traffic ahead

What does this sign mean?

- A. Children are prohibited to cross
- B. Watch for children crossingC. Watch for aged pedestrians
- **C.** Watch for aged pedestrians **D.** Pedestrians are not allowed

- A. Uneven road surface ahead
- B. Road dip ahead
- C. Road bump ahead
- D. Slippery road ahead

A. Uneven road surface ahead

B. Road bump ahead

C. Road dip ahead

D. Slippery road ahead

What must you do at an intersection controlled by a give way sign?

A. Give way to vehicles not turning (if you are turning)

B. Give way to vehicles coming towards you including those turning left (if you are turning right)

C. Give way to all traffic on a continuing road (the top of the T) if you are on the terminating road (bottom of the T)

D. All the above

You are driving in an 80km/h area and you see this 50km/h sign. Where does the 50km/h speed limit start?

A. At the sign

B. 20m after the sign

C. 50m after the sign

D. 100m after the sign

- **A.** A bypass joins a dual carriageway
- **B.** A feeder lane joins an existing lane
- C. Two lanes merge into one
- D. A side road joins a one-way street

Specialist questions for heavy vehicle drivers

Class 2 - Dimensions

Between which two points is the forward distance of a two-axle truck measured?

A. Front axis to the front of the vehicle or its load (if it overhangs the front)

B. Rear axis to the front of the vehicle or its load

C. Mid-point of the rear and front axis to the front of the vehicle or load

D. The front axis to the centre of the vehicle

What is the maximum distance a vehicle or its load may extend forward from the front edge of the driver's seat (in its rearmost position)?

What is the maximum height from the ground permitted for a vehicle, including its load?A. 3.7mB. 4mC. 4.3mD. 4.6mE. 5mWhat is the maximum width allowed for a vehicle (other than an agricultural vehicle)
including its load?M. 2.1mB. 2.55mC. 2.85mA. 2.1mB. 2.55mC. 2.85mD. 3.1mE. 3.55mWhat is the additional width allowable for fasteners used in securing loads?A. mm cosh sideB. 25mm cosh sideD. 100mm cosh side

A. 0mm each side **B.** 25mm each side **C.** 50mm each side **D.** 100mm each side What is the maximum width permitted for a vehicle and its load either side of the longitudinal centre line?

A. 1.275m **B.** 1.55m **C.** 2.05m **D.** 2.55m

Which of these aren't goods services?

A. A vehicle recovery service

B. A service (carrying goods for personal use) that is not operated for more than seven days in a 12-month period

C. The carrying - in a vehicle, under a passenger service licence - of goods that belong to passengers

- D. Moving animals
- E. Moving mail

F. A, B and C only

On a rigid vehicle that has two axle sets and is steered by the front axle set, where is the front axis?

A. The centre point of the foremost axle

B. The centre point of the driver's seatC. The centre point of the rear of the cab

D. The centre point of the front bumper

A vehicle has two load-sharing axles spaced 1.5 metres apart. What kind of axle set is this?A. Tri-axleB. Tandem axleC. Twin-steer axleD. Double-axleWhat is the maximum forward distance for a heavy rigid vehicle without a tow coupling?A. 8.5mB. 9mC. 9.5mD. 10mFor a heavy rigid vehicle whose rear-most axle is a non-steering axle, the maximum rear
overhang permitted including its load is the lesser of:

A. 3m or 60% of the wheelbase

- **B.** 3m or 70% of the wheelbase
- C. 4m or 60% of the wheelbase
- D. 4m or 70% of the wheelbase

A. 12m

B. 12.3m **C.** 12.6m **D.** 12.9m

What is the maximum overall length for a heavy rigid vehicle including its load when not towing a trailer?

Class 2 – Load security

What should you do after driving on an uneven surface?

A. Check tyre pressures
C. Check your load
What is the combined rated strength of lashings placed over rigid loads on heavy motor vehicles when loaded against a headboard?

VEHICLE LOADING AND LOAD RESTRAINTS

- A. Twice the weight of the loadB. The weight of the load
- **C.** Half the weight of the load

<u>LOAD AGAINST THE HEADBOARD,</u> RESTRAINTS AT LEAST = TO THE WEIGHT OF THE LOAD

When you are checking your load, what is the most important thing to look for?A. Load securityB. Load typeC. Load expiry dateD. Load sourceHow much weight (sideways) must load restraint systems be able to withstand?

LOAD RESTRAINT REQUIREMENTS

Half the weight

Uncovered, loose bulk loads are liable to fall from the vehicle if they are higher than:

A. 200mm below the side of the vehicle body
B. 100mm below the side of the vehicle body
C. The same height as the vehicle body
D. 100mm higher than the height of the vehicle body

When should you check your load?

- A. After driving in snow and/or heavy rain
- **B.** After driving over uneven ground or after each rest break
- C. Every 200km
- D. Only when you fill up with fuel

Who is responsible to see that a load is correctly loaded and secure?

- A. The company you work for
- **B.** The supplier of the goods
- C. The manufacturer of the truck/trailer
- D. The driver

A load of 10 tonnes carried on a rigid truck with no headboard is secured by two tie downs. What must the combined strength of the tie downs be?

VEHICLE LOADING AND LOAD RESTRAINTS

A load of 15 tonne carried on a rigid truck with a headboard is secured by two tie downs. What must the combined strength of the tie downs be equal to or stronger than? VEHICLE LOADING AND LOAD RESTRAINTS

Anchor points to which lashings are secured must have a strength of at least:

ANCHOR POINTS

A. Half the rated strength of the lashings
B. The rated strength of the lashings
C. Twice the rated strength of the lashings

Why must a driver do a pre-trip safety inspection?

- A. It's a legal requirement
- **B.** You can check the load is secured
- **C.** You can check for safety issues
- D. It reduces the risks of receiving a fine or being issued with a non-operation order

E. B, C and D only

Class 2 – Work time

If a driver (other than a taxi driver) is subject to work time requirements, what is the					
	period of work time al	lowed before a minimu	<u>um 30-minute break is</u>		
required?					
A. 4.5 hours	B. 5 hours	C. 5.5 hours	D. 6 hours
